Trades & Alice Vanities...

Trades vanity unit is a plain door vanity in a melamine finish. Comes standard with ceramic knobs and on a kick (plinth).

The Trades can be made with many options to dress up your bathroom including: chrome or gold backplates, different handles, on legs instead of a plinth, or wall hung.

The Trades also offers many different colours as an option: Ivory, Beech, Wenge, Jarrah & Blackwood.

The Alice vanity is a step up from the Trades which is trimmed with a 4mm groove forming a square pattern in the doors and drawers, (which can be painted in ivory).

Like the Trades the Alice can be made with many options to dress up your bathroom including: chrome or gold backplates, different handles, on legs instead of a plinth, or wall hung.

***See back page for specifications.**
